WS RESIDENT PARKING PERMIT - The permit issued by the Town Clerk for a motor vehicle owned or leased by an eligible person that allows that motor vehicle to be parked on a public highway within the WS Residential Area for a period of time longer than motor vehicles not having such a permit are allowed to park on a public highway within the WS Residential Area. When reference is made to a WS resident parking permit being “issued,” that reference includes both the issuance of the original WS resident parking permit for a particular motor vehicle and all renewals thereof.

§ 219-63. Sale and issuance of resident parking permits.

- A. In this section the term “resident parking permit” shall refer to both LP Resident Parking Permits and WS Resident Parking Permits.
- B. The Town Clerk shall issue a residential parking permit only to an eligible person and shall keep a record of the number of each resident parking permit issued, the date it is issued, the name and address of the person to whom it is issued and the numbers, words or letters appearing on the license plate of the motor vehicle for which a resident parking permit is issued. The Town Clerk shall maintain a record of all permit fees collected. The Town Clerk shall not issue a resident parking permit for a motor vehicle:
 - (1) Unless the owner or lessee of that motor vehicle demonstrates to the satisfaction of the Town Clerk, acting reasonably, that such owner or lessee is an eligible person;
 - (2) For which the Town Clerk has issued a parking permit that allows that motor vehicle to be parked in any of the Town’s parking lots; or
 - (3) That has or is required to have a commercial license plate.
- C. The Town Clerk shall not issue a resident parking permit for any motor vehicle which has three or more outstanding and unpaid parking violations against it for parking violations that occurred within the unincorporated Town of Mamaroneck.

- D. The Town Clerk shall collect the amount shown in § A250-1A for each resident parking permit and shall be valid until the last day of September in the first September after the permit is issued.
- E. The fees collected from the sale of resident parking permits and replacement resident parking permits shall be credited to the General Fund Part Town.
- F. The Town Clerk shall revoke a resident parking permit if the Town Clerk, acting reasonably, determines that such permit was issued based upon false information or was otherwise issued or used improperly or the insignia was wrongfully altered. The Town Clerk also shall revoke a permit if, after such permit is issued, the number of outstanding and unpaid parking violations against a motor vehicle for which such permit had been issued for parking violations that occurred within the unincorporated Town of Mamaroneck reaches three or more. The Town Clerk shall mail written notice of the revocation to the person to whom such permit was issued at the address for such person that appears on the application for the resident parking permit being revoked. The revocation shall be effective on the third business day after the notice is mailed. The eligible person shall remove a revoked resident parking permit from the motor vehicle and return it to the Town Clerk's Office. The failure to do so shall be a violation of this section. A revoked resident parking permit may be reinstated by curing the underlying basis for the revocation and the payment of a fee that is triple the amount of the fee for a resident parking permit, except where WS resident parking permit has been issued other than April, May, June, July or August as shown in §A250-1A.
- G. The insignia for a resident parking permit shall be affixed at such location(s) on the motor vehicle as the Town Clerk may determine. An eligible person's failure to affix a resident parking permit in the location determined by the Town Clerk shall be a violation of this section.
- H. An eligible person shall be guilty of violating this section if the resident parking permit insignia issued to the motor vehicle owned or leased by the eligible person is affixed to another motor vehicle.
- I. Resident parking permits are not transferable. If title to a motor vehicle to which a resident parking permit has been issued is transferred or if such motor vehicle is returned to the company from which it was leased, the permit for that motor vehicle no longer shall be valid and the eligible person shall remove the resident parking insignia from the motor vehicle and destroy it. The failure to do so shall be a violation of this section.
- J. If an eligible person replaces a motor vehicle to which a resident parking permit had been issued with another motor vehicle that he/she owns or leases, the Town Clerk shall issue a replacement resident parking insignia; provided that on the date that the replacement resident parking permit is issued, the motor vehicle is eligible for a resident parking permit. A replacement resident parking permit shall expire on the same day as the day on which the

VEHICLES AND TRAFFIC

resident parking permit that it is replacing would have expired if that permit were not replaced. The Town Clerk shall collect the amount established by §A250-1A for each replacement resident parking permit issued.

- K. An eligible person shall remove the resident parking permit insignia from the motor vehicle owned or leased by the person immediately if that person ceases to be an eligible person. The failure to do so shall be a violation of this section.
- L. This section shall not apply to motor vehicles registered pursuant to § 404-a of the New York Vehicle and Traffic Law or to motor vehicles owned or operated by public utility companies, the United States of America, the State of New York, the County of Westchester, the Unincorporated Town of Mamaroneck, the Mamaroneck Union Free School District, the Village of Larchmont, Village of Mamaroneck or Contractors.
- M. It shall be a violation of this section for a person to supply false information in connection with an application for a resident parking permit or a replacement resident parking permit. Such a violation shall be punishable by a fine of not less than \$300 and not more than \$500. For the twenty-four-month period following the date on which a person is convicted of supplying false information in connection with an application for a resident parking permit, the Town Clerk shall not issue such a permit for any motor vehicle owned or leased by that person.

If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.
